**Trip Charge**

All party package prices include a "trip charge". All parties over 15 miles from our location will incur an additional charge for distance. This allows us to travel all over the Northeast Ohio area at a very affordable rate to you. We use MapQuest.com to determine the distance. Our trip charge is a fee of \$2/mile (one-way) for each additional mile over 15 miles. For example, if you are located 26 miles (one-way) from our location, your additional "trip charge" will be \$22.00 (26 miles - 15 miles = 11 miles X \$2.00). If you have any questions regarding this, please [email us](#).
